

1. Shuffle white cards and deal 4 to each player.
2. Determine the first Reviewer.
3. Reviewer reveals and reads first black card aloud.
4. Others choose a fitting white card from their hand, place it face down.
5. Reviewer shuffles, reveals, and reads out aloud all black/white card pairs.
6. Reviewer picks winner for smartest/funniest pairing, or group votes.
7. Winning player earns 3 citation points to their h-index.
8. Bonus: Players may share a story or fact about one card pair. Reviewer awards up to 5 points, depending on group reaction.
9. Discard played white and black cards and draw new white cards to maintain 4 in hand.
10. Pass role of Reviewer to player to your left.
11. Play until no more black cards are left, shuffle discarded white cards when needed.
12. Player with most citation points wins!
